

23

A school summer fayre has a stall offering two games.

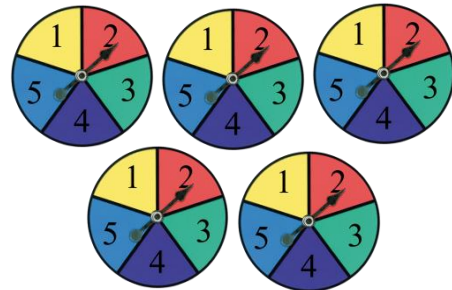

£1 per go

Flip all 10 coins,
if you get 10 heads,
win an ipad (value £400).

£1 per go

Spin all 5 spinners,
if you get 5 fives,
win a Macbook (value £1000).

Which game are you most likely to win?
Which game should the school encourage you to play?
